Appeal: 09-6575 Doc: 34 Filed: 10/19/2009 Pg: 3 of 3

PER CURIAM:

James Bailey seeks to appeal the district court's order accepting the magistrate judge's recommendation and dismissing his 42 U.S.C. § 1983 (2006) complaint against all but one defendant, Nurse Brown, and ordering Bailey to show cause for his failure to effect service upon Nurse Brown. This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291 (2006), and certain interlocutory and collateral orders, 28 U.S.C. § 1292 (2006); Fed. R. Civ. P. 54(b); Cohen v. Beneficial Indus. Loan Corp., 337 U.S. 541 (1949). The order Bailey seeks to appeal is neither a final order nor appealable interlocutory or collateral order. Accordingly, we deny leave to proceed in forma pauperis and dismiss the appeal for lack of jurisdiction. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
